Fire Line Automatic 3

BESPOKE MODELS

Planika ensures top service. To live up to our clients' requirements, we have provided the possibility to produce bespoke models, according to the client's expectations. Length of the bio fireplace is customizable.

SEVERAL JOINT UNITS - UP TO UNLIMITED LENGTH:

If a longer line of fire is prefered, several units can be placed together and operated with a single remote control, giving the possibility to create an endless line of fire. Client can choose between the right, middle and left module.
